Welcome home to this beautifully maintained two-story Colonial, tucked away on a peaceful street in one of Kennebunk's most sought-after neighborhoods, just steps from the scenic bridle path. This move-in-ready home blends classic New England charm with thoughtful updates throughout. Step inside to find freshly painted interiors and hardwood floors, newly refinished and ready to shine. The main level offers warm, inviting living space anchored by a cozy wood-burning fireplace along with a light-filled three-season sunroom ideal for morning coffee or unwinding with a book. Upstairs, four spacious bedrooms and two baths await, the bathrooms are updated and brand-new carpeting throughout the second floor was just installed. A finished third-floor room adds wonderful bonus space -- perfect for a home office, playroom, or guest retreat. Outside, the fully fenced backyard offers privacy and plenty of room to relax, garden, or entertain, all within a quiet, established neighborhood and easy access to the bridle path's walking and riding trails. This is Kennebunk living at its finest -- classic character, modern updates, and an unbeatable location.
